

## **Overview**

We are looking for an Off Cycle Analyst Intern - Private Investments to join our Magellan Capital team in Dubai. The duration of the internship is 6 months, starting as soon as possible in Q1 2025.

We are a growing DIFC-based investment management firm. Our permanent capital structure makes us agile and focused investors. We invest in high quality and deep value businesses across the capital spectrum, in private and public markets. Our team in Dubai is growing rapidly and to support that growth we are looking for an Off Cycle Analyst Intern in our Private Investments team.

Our team is young, multi-cultural and ambitious. We have an entrepreneurial environment and highly value a good cultural fit.

## **The Role**

Our ideal candidate is an enthusiastic, driven, and committed individual who takes initiative and excels both independently and as part of a team.

We offer a competitive base salary and an opportunity for a full-time position after the completion of the internship, depending on performance.

## **What We Look For**

- Bachelor's or Master's degree in Finance, Economics, Business or a related field from a top tier educational institution
- At least 6 months full-time work experience
- Demonstrated academic excellence (minimum 3.5 GPA, 2:1 Honours or equivalent)
- Strong proficiency in financial modeling, valuation methodologies, and investment analysis
- Excellent communication skills, both written and verbal, with the ability to present complex information in a clear and concise manner
- Strong analytical skills
- Strong attention to detail and organisational skills
- Driven, energetic and resourceful self-starter who takes initiative and has a positive mindset
- Genuine interest in private equity, private credit, and alternative investments

## **Key Responsibilities**

- **Due Diligence:** Assist in evaluating pipeline opportunities and drafting of presentations for the Investment Committee (IC). Participate in various aspects of due diligence, including preparing and reviewing relevant transaction materials, with a focus on creating PowerPoint presentations for various stakeholders
- **Deal Execution:** Coordinating complex and often time-sensitive processes as well as active involvement in client facing situations. Support the deal execution process by preparing investment memos, presentations, and transaction documentation
- **Investment Analysis:** Support Analysts and Associates in building financial models to analyse potential investments, including projections, return analyses, and sensitivity scenarios
- **Market Research:** Stay informed on private equity market trends, emerging investment themes, and industry developments, ensuring up-to-date information is reflected in presentation materials
- **Portfolio Monitoring:** Help track the performance of existing investments and assist in the development of portfolio reports and internal performance updates

Please submit your resume to [claire.cunningham@magellancap.com](mailto:claire.cunningham@magellancap.com). Please include "Off Cycle Analyst Intern - Private Investments" in the subject line.
